“ My mother was a remarkable woman, despite her many disabilities she overcome insurmountable odds to continue raising me. I have fond memories that I cherish to this day of her playing Uno cards with me as a child, she would sit and play with me for hours. I wished more people could have my amazing mom, she spread joy to anyone who had the honor of meeting her. Her wheelchair was left behind when she left us down here in Russell Spring, but she's flying over all of us smiling down. If I could just see her smile 1 more time, sitting down playing cards again, not caring who won; it would be the greatest day. One glorious day I will see her again, and she and I will walk together as it was always meant to be.

Please, if you have any memories to share about Ann, I know it would mean the world to the very few family she left behind to hear them.
