I have so many precious memories of Paulette growing up in Creelsboro. We were very best friends and did everything together. She took me squirrel hunting for the first and last time. She kept telling me to be quite and I just couldn't so she sat me on a log and told me not to move. She was gone for hours but came back with 3 squirrels. And told me she would never take me hunting again. Lol..She was so special and will be missed by so many. My thoughts and prayers are with her family.
