“ *When Barbara showed up at Union Chapel I thought we had our very own Barbie Doll joining our class. We became such good friends during our Union Chapel and Russell County High School years!! Thru thick and thin we saw each other thru good times and bad. Even after we went our separate ways whenever our paths would pass it was like no time had passed between us and we could pick up and talk about anything!!! You will be missed Barbara!!! Blessings to all the family during this difficult time!*
