“ Mrs Sue was one of the most strongest ladies I knew. Always up for a good ole talk. I would message her from time to time if she needed anything to call me I was just up the road. She would always respond with on Melissa I sure will. I will always look for you as I pass your home on a daily. I will take some time to process but knowing you're no longer suffering and your pain free. Rest in Peace Sue. We love and miss you 🥹. Please watch over all of us on our little corner of the road.
