“ Remember Barry well , he was a great guy and a great friend. I remember in our our younger days he would come down to James Bailey and Marcine pool room and I remember the good old days when we would go down with a bunch of other guys with Barry in Sand Lick driving up and down hills with. D Buggies. I know he had one of the best Buggies around. One day we all tried to go up a rock wall near a spring and when Barry tried to go up the hill he backed up to get a running shoot in his Buggy and bounced off a tree and his head went sideways and hit a tree. Lucky he was ok with only a large bump on his head. If I recall correctly, I don't believe any of us guys had a helmet on our heads. R.I.P my friend until we all meet again heaven.
