“ Truly one of the kindest, funniest ladies I have ever had the privilege of knowing. Sitting with you around the table at the Huddle House, chatting away, will be memories I take with me until my time comes. I take comfort in knowing you are with our Lord and Savior and most certainly will be praying for the entire family during this difficult time.

“ We will always remember Betty Lou for her commitment to family and for the thoughtful ways she reached out. No holiday passed without a note - lately a text - from Mother's Day to the 4th of July to Christmas. These kind gestures meant so much to Melody and me and helped to shrink the physical distance separating us. We rejoice that a beautiful soul was added to God's roster.

“ Betty was just about a good a person as you can get. She was so kind. She treated people good and stood up for what is right. I am lucky to be able to call her a friend for the past 45 years. She is with our Lord and Savior now. I will miss her very much. My condolences to the family. We are thinking of you and praying for you in this difficult time.
