“ *Hey Debbie, Glenda and Robbie ~ I am so sorry that I will not be able to come to your Dad's service. But I have so many memories of all of us as kids. One particular memory is of your dad and my dad with the mini-bikes or motorcycles, down in front of Grandma and Grandpa's place....your dad took off and popped a wheelie and lost control of the bike and it looked like he was all legs and elbows trying to hold onto the bike. Thankfully he wasn't hurt, but we all sure got a laugh at his expense.....of course he was laughing right along with us! We have shared some fun times and I hope you all hold on to those good memories as you say goodbye to your dad. Prayers to you all! ~ Donna Ballenger*
