“ Our deepest condolences and sympathy are conveyed to Tammy, Bruce's Grandson, son, Matt, and all of the family. Bruce was a friend to the Hughes Family for well over 40 years. We have many memories and plenty of laughs and tears to remember. He will be missed most of all by Bob Hughes, his true friend. The two of them were as thick as thieves and have many laughable moments and cohorts to the local South Florida watering holes. I will miss not calling Bruce on his birthday, October 7, that is one time every year that I personally got to speak with him, laugh, joke and reminisce. Bruce enjoyed that I would remember his birthday each year, he was just that kind of guy, much loved by all. May you rest in peace. We all pray for Tammy that her heart mends with the love and support from her family and friends. Sandy and Brian Hughes, Bob Hughes, Wood family, Hughes family.

“ I have so many memories going through my mind as I sit here and think about you.

*I thinking back to when I was 15 and went to your Company Christmas party off of C road and you had built a huge dance floor and had a live band and everybody was laughing and dancing and having a great time.*

*I want to thank you for teaching me everything I know and showing me if I wanted something I had to work hard for it.*

*And I remember the day you told me I was the daughter you never had and that you would always be there for me whenever I needed anything and you always were no matter what.*

*I love you and you'll always be in my heart rest in peace until we meet again.*

*Love Kim*
