“ *I love you dad. I will always remember giving you lotion(rubbing your face) before you went to work when I was little. I'll never look at Television again the same after the hearing you say it the way you would say it. I'll miss the phone calls everyday, and you telling me to slow down. I wish I had one more day with you.one more time to tell you I love you. I'll see you again dad
