“ Our loss is Heaven's gain! We now have a new "Earth Angel!" I have "Sweet!" memories of going to school with Scott at WKU! He taught me about Lake Cumberland when going to Western. We worked on WKU farm together. After Scott got hurt in the grain bin, I snuck Bourbon to him in the hospital room. Scott and I rode around in the Plymouth on campus like we owned WKU! Too many stories. Great person God got to hang out with! He always made me laugh! I'm sure that's why God pulled him up, he needed a laugh! Till we meet again Scott Grider!
