“ A kind and gentle soul. Our family is heartbroken and so sorry for her family. Connie endured so much with the loss of her children and husband and all so close together.
May God give her peace and rest. May the lord be with her Mother.

My prayers and condolences are sent to the family. I've known all of you for many years and when Tommy passed she told me to be strong. And so that is what I've tried to do. May the Lord bless the family. She's back with the loves of her life now. Peace be with all of you. The family of Tommy Baker
