“Gloria, I wish we were able to be there with you, but we will be praying that God will will bless and comfort you and your family. We were so thankful to hear that Coy made things right with the Lord, one day we will all be together again in heaven.

We have a lot of wonderful memories of being in services with you all at Free Union.

I think about that Sunday morning when Dustin went to the alter and got saved, that was a wonderful service, but nothing to compare to that grand home coming that we are going to have in heaven one day after awhile. We think about you and your family often.

We love you all, Brother Jim & Ann
