“ *I remember walking to School with her in the 7th grade. She always had that big beautiful smile on her face. She was beautiful inside and out. Prayers for all. I'm so sorry for your loss.*

“ *Davida was my best friend in high school. Moving from Louisville to Hazard in my Freshmen year was hard and she made life so much easier and fun. I was a preacher's kid and we were different but that didn't stop us from spending nights with each other and my parent's loving her. I still have pictures of her sitting at my kitchen table and can think of what we were doing that particular time. We auditioned and got music scholarships at the same school even though neither of us pursued it that was a fun weekend college experience. We may have lost touch but I never lost the love and memories for my friend.*

“ *Davida was always such a pleasure to be around and work with. If she knew you were in a bad mood she would do everything in her power to make you laugh. Such a sweet soul gone too soon! She can now spend eternity with her love, Benny. Although she will be dearly missed. Rest easy sweet lady.*
