“ I remember a night that Jeff and Debbie were up in Wisconsin visiting. Deb had a few libations and refused to believe that I was Dave, her first cousin. I jokingly picked her up and while she's yelling “ put me down, you moose!” , Jeff says, “ I don't think he's worried about you beating him. He's got you in one hand and a beer in the other”. I will forever miss her smile and joy that she emitted to all around her. I love you, Debbie. I'll see you on the other side. Spidey.
