“ *Sad day in the Kentucky pool playing community. I met Denzil when I was 16 years old in Moreland, Kentucky at a game room there. Seems like only yesterday. He moved to Kentucky from Indianapolis back then and attended all the major tournaments. I loved to hear his many stories. He was very colorful and fun to be around. He still traveled a lot even in his later years. He always had a kind word for everyone. Ive known him for 26 years now. I've definitely lost a friend. He will be truly missed. Rest In peace my friend!* ”
