“ When I was 10 yrs old , Doyle was my Little League baseball coach ,, I had no way of getting to games and practices since my grandpa had died .. Doyle and Jimmy Wilkerson would come all the way down to Maynard rd and pick me up and bring me back home after practices and games , And Doyle fed me many of times at his house .. I have been in Indiana since I was 18 , now ( 60) I made it a must to connect with him a few yrs ago and let him know that I hadn't forgot what he had done for me .. you don't forget guys like Doyle , who done these things , when there was no one else there .. RIP Doyle , I will never forget you .. Jim Maynard
