Charlie I just heard about Faye's passing. I am so sorry for your loss. I will always remember what a fighter she was and will keep those memories of her never ending fight with cancer. I know she is in a much better place and is no longer suffering.

“ As much as I know Faye was still needed by all who loved her, I also know she is in Gods presence now and suffering no more... Faye was one of the kindest people I know. She told you what she thought to your face, no behind the back gossip. But it was always in a kind way. In all our years as sister in laws don't think we ever had a harsh word to each other. Rest now Faye until we meet again. Love you.
