“ I worked a short time in the 9th District (KNOX CO) under G.W. Martin. I worked with and had great respect for Freddie. I recall he wrote an article for the local paper, and I did the same later in my F& W career in Bracken County Ky. Freddie was unlike many of the officers, he was a true gentleman, Christian and family man. I liked all the officers I worked with but had great respect for only a few. Freddie was a true credit to the badge. Please accept my sincere regrets. May God bless your entire family.
