“ Joan ,
I am so sorry for loss you and Roderick are going through. His illness was so sudden I know this is so very difficult for you. My thoughts and prayers are with you tomorrow and in the coming days. Although we met infrequently I remember how friendly and so easy to talk to you always were Joan. Harold Jr. was the quieter one but such a sincere and comforting person. I know Roderick's life was so blessed from his father's presence. May God's blessings be with you today, tomorrow and always.

“ Joan, God saw that he was tired and a cure was not to be had. He took him to Himself for his eternal rest and peace. What a blessing that is to know that Harold has already accomplished what we are striving for. You are grieving now, but it won't last forever and the sun will shine again and the birds will continue their song. You are in our thoughts and prayers. We are praying that God will expedite Roderick's healing. God bless you both. Carolyn and Randell
