“ Never easy to say Goodbye Howie, so I will simply say, "see you again one day my friend." Our late Childhood, teen years, & then into our twenties were full of Great memories... I will hold onto those Cherished times for the rest of my life. I always appreciated the person that you were, your witty sense of dry humor, and your kindness, but most of all, I will remember your giving heart & willingness to help others, because that's what truly embodied you as a person, & made your character stand out. Rest in Peace my friend, & I will see you one day on the otherside, until then, Take Care 🥺💕🙏🏻🏈
