“ *Mr. Price was my math teacher and coach at Amherst High School. He took me and another AHS student with him up to Hershey, NE to watch Thedford and Sutherland play each other in a regional basketball playoff. Thedford lost but we all had a good time and we felt honored that he invited us to ride with him out to Hershey.*

A coke and a smile to Mr. Price.

“ *I was so sad to hear today of Jim's death. We taught together at Zama High School, Camp Zama, Japan. We both retired in June of 2006. He was looking forward to fishing and relaxing in Jamestown.*

*We have made the DoDDS community aware of his passing; I hope you receive messages from those of us who knew him so well.
