“ I remember two things:

*1st was when I was a kid and we were staying with Jane for the first time since moving to Russell County. Janet knew I was a mom's boy and missed my mom and she stayed up with Me and Laurie eating Oreo Cookies and Milk till I was ready to go to sleep. She knew a way to my heart..*

*2nd was when she knew how sad I was working in the Kitchen all the time after my Dad died. She did not let me not come back cause she knew Lake Cumberland was my home. She gave me a chance as a host in the dinning room.*

*I will miss you Jant and Love you .... You will always be family to me.*
