“ I remember how you and Brandon would come and get me and my kids different times and we'd stay all night with you , Jeff and Brandon. Jeff would cook out and you and me would pack a picnic lunch and take the kids to the park or to the pool . My nickname for Jeff when we were together was baldy. We always had such good fun times. I wish I can come down there for the services but I don't have a car or any way of getting there. Just know my thoughts and prayers are with you and the family . I love you
