“ To Tyler and Leah, I'm truly sorry for the loss of your dad . I will always remember the fun I had with him.. he was always so funny ... he would do anything for everyone who needed his help!! He had a big kind heart! I cried when he moved to Kentucky. And I never got to see him that much... I will always miss John Fisher. I hope your pain gets less after awhile . And I will always try to help you both if I can ... just always remember the good in your dad and all the things you have done and how funny he always was. He will Never really be gone if you keep his memory's in you heart . ❤️
