“ I first met Judy when Cameron was in my classroom in kindergarten. She always had a smile and had something kind to say. She was supportive and loved Cameron with all of her heart. In the years to follow, when I would see her out and about, she would strike up a conversation. It was always a pleasure to speak with her. Her genuine care for others was a shining light. I will be thinking of you all.  
I am so sorry, Melinda Neal

“ *This saddens me so much. I have so many memories of my sweet cousin. I spent many days and nights at their home growing up. Even though we have been miles apart for years they were always in my heart. I remember how Judy would do my hair for school pictures. Those winter snow days was so much fun playing card and board games. Prayers to all her family. R.I.P. my sweet funny cousin.* ❤️🙏
