“ my beautiful sister-in-law, it's hard to believe that you're not here. I feel so blessed that God brought You into my life.....we always said that God brought us all together for a reason. I know that now you walk upon streets of gold and are in your mansion. I still have to only imagine.....you're taking it all in, I know you're so happy....are you getting to care for the animals as you had hoped would be your job? I know You didn't want us to be sad if you went first, but forgive me, that's really hard to do. I'll always remember the good times we shared....and yes even the sad times too . So until we meet up again.....I know you'll be watching over your loved ones here.
