“ Being new to Kentucky, we were beyond fortunate to meet Keith & Judy sharing his talent, hosting karaoke. Judy and I became instant friends because our husbands love to entertain. This friendship evolved into 5 couples becoming forever friends! His sweet, mischievous smile brought joy to all. Judy, you are a champion! Your love, devotion and protection should be an inspiration to all. You both will remain in our hearts forever! Thank you Keith for making our lives so much richer. Rest in peace. Thom & Donna Hajdu

“ My Uncle Keith was a man with many experiences in the woods, on the rivers and the lakes of Michigan. A lot of them were from the upper peninsula of Michigan where he was a CO for the State. I remember many visits for Christmas at Fales farmhouse listening to his stories ranging from finding lost hunters, fighting the fire at Seney, fishing trout at his favorite secret spot, and telling stories about the local folks up in Naubinway. He walked tall in the woods and was a man of skill with the fishing pole. When he visited, he made the event magical with his personality and his laughter was contagious. We have sat around many fires together and I will forever miss him. Long live the house of Loudon.

My friend at the lake where we fished together, worked on house repair projects together & had many special good social times together. Keith truly had a life well lived & dearly loved Judy.

As Keith struggled with poor health for several years I want to note Judy's 24/7/365 tender loving protection & care.

I wish Judy & the Loudon family the very best during these sad times.

Sincerely
