“ TAKING REST IN MY LORD

Day after day, paths I took seemed to take me many different directions.

Of times I walked the woods, breathing in the radiance of God's creation.

One day much fuller the beauty seemed to be, I found self asking "Why"?

Having asked I soon found the answer to be right in front of my very eyes.

So many times, I fought to go my own way, do my own thing in this world.

Not wanting to bend my will to the will of God, my mind so oft in a whirl.

The Holy Spirit wooing gently none the less "Come drink of the cool water".

My soul no longer thirst for things of this world, now God is my Father.

And I decided to share God's love I found by giving literature to others.

For the good news must go to every father, mother, sister, and brother.

Giving them away cost free, praying hands receiving them would only read.

Their eyes might see, and their ears hear what God wants for you and me.

Jesus came to live in my heart, showed me the way, the truth and the light!

I know there is coming a day soon when there never more shall be night.

Evidence all around and about I saw, the sun, moon and stars do declare.

The glory of God, the love of God, for with this world His Son he

shared.

Many a wayward child has come to the Father to ask for His forgiveness.

Come to the Father, your request will be granted to this I am His witness.

I am freed at last, from all chains and shackles once holding me sway.

This can be your testimony should you take Jesus as your Saviour today.

In loving memory of Kenny Grider
