“ Larry was such a nice man. I boat at Lake Cumberland and always looked forward to seeing and talking with Larry as he drove me and my friends to our vehicles. He always had a story to tell. He will be greatly missed but grateful to have known him.

“ To Larry's family,

Larry always made a good day on the water GREAT! He always had a smile and just made you feel good to be in his van. When my daughter was about three she always had to call Larry's cell or get on the ship radio and tell " Larry the Taxi Man" good night. She always went to the top of the hill to park with me just so she could ride with Larry, we grew so fond of Larry he always made her feel special, called her "sweaty" or princess and of course she always rode up front in the van. It's funny, as she grew up and friends would come along on our boat in the summer, when most teenagers would ignore their dad she would still say "Dad I will go with you to park the truck" which made me feel good but I knew she liked the chance to spend a little time with Larry.

We will miss our good friend!
