“ *Ole Flash. My best friend and my Laker pal. I have so many fond memories of Flash. One story in particular I was staying after school for a home basketball game my team of Lady Lakers were having and he and his sweet mama (rest her loving heart as well) went to get me a burger and a snickers bar so I could have something in my body before having to run up and down the court. He never missed any of my games. He was always there cheering and supporting us Lakers and Lady Lakers. He will always be my hero and my favorite person I had the privilege of knowing growing up my four years of being a Lady Laker ball player ❤️ may him and his mama rest easy now and I will see you both soon. Big hugs and lots of Love 💕💕* ”

“ My name is Jaylen Elmore. I am a Lady Laker Alumni. I had the privilege of getting to know Flash. He was a very special person who made my years of playing basketball from middle to high school the best years of my life. He was so funny, and so sweet. He supported me and my team nonstop, everyday. He was there every practice, every game. He was always so happy and just brightened every room he was in. I have so many great memories with Flash like winning region, bus rides, games, practice, or even when we had a conversation. He was truly an amazing person with the kindest soul. He meant a lot to me and Russell County itself. He will forever hold a special place in my heart and will never be forgotten.
♥ Rest Easy Flash. ♥

“ So many great memories of my time spent working with Flash. He went above and beyond to help all programs and all kids. If you were a Laker he loved you. He had a servant's heart, a kind soul, and he made this world a better place. He and Geraldine meant so much to me. Rest easy "Big Guy" and enjoy the best seat in the house. You earned it.
