“ *Uncle Lee always made us laugh as kids. He always had a funny story to tell and he always treated all of us (his niece's and nephews) just like we were his own children. I did not get to spend much time with him as an adult myself, but I do have fond memories of him and Aunt Susie while we were growing up. Love and prayers out to cousin's Marilyn and Patty on the loss of their dad, I know he will be missed!*
