*Not a day goes by that I don't think of you and miss you Momma. I love you so very much and hope to see you again one day on the other side. You were an amazing mother who sacrificed so much for your children and grandchildren. I hope that we all live in a way that brings you the honor you so deserve. Everything I do and all that I am, I owe to my sweet mother. Until we meet again, save a seat at the table for me.*
