“ I went to school with Francine. She always sat in front of or behind me. I loved her gentle spirit and wonderful heart. She kept her head down most of the time. Kids could be cruel because of her thick glasses but my dad wore them so I never understood why ppl would do that. She was such a sweetheart. I didn't know she had passed or I would have came to her viewing. Francine you were too good for this earth. God needed you home. I'm sure you've left a void in you're family's hearts. I will always remember you.
