“ *Mary was my dearest friend. We traveled on many adventures together I loved to make her laugh and tease her. I nicknamed her "Gracie" for Gracie Burns"! If we were apart there were cards, letters and little surprises in the mail!!! Mary and I loved to SHOP for house, houseboats or just for fun!! Mary never was in a hurry, I was road runner 🤪 Mary loved her grandchildren when Marilyn was born she was thrilled and they just kept coming. Mary is free of her pain and now has her wings! I will always love you and your family. God Bless Tom in the coming days.*

“ So many memories! Traveling together and boating at Cumberland are just a couple of those memories. Mary's laugh was contagious and so exhilarating. Her kindness extended, not just to us, but to our children also. Mary treated them as her own. We will miss her but take consolation in the happy memories, and solace in knowing she is at rest. Love to Tom, Cynthia and her grandchildren.

“ Mary brought so many wonderful memories into our life. From rolling limes all day for her famous key lime pie to standing on the hood of our car to get the perfect persimmons. The day trips to Wrap It Up are ones we will cherish forever. You are very loved and the memories will always make us smile.
