“ Steve will always hold a special place in my heart. I moved in with Charlie, Janet and Steve when they lived in Columbia. Steve was 8 years old and i took care of him when his parents worked as nurse and administrator. He was full of energy and mischief!

“ I have known Steve since High School. Steve , Albert Mercer & I played a lot of golf & ran around together. We had the best time together. He always had us laughing. After college we all drifted apart. We reconnected to my surprise @ a KyANA in Louisville & we both had become CRNA's. We finally got to work together some @ Taylor Regional. He always had a smile & a tall story to tell! We remained friends even when he was an avid UofL fan & I am a avid UK fan 😂. He will be missed.
Judy, you have my deepest sympathy & prayers!

“ Steve was always a very kind person and totally respected me and the respiratory department at TRH. He suffered in his heart when Michael passed away and always talked about his grandchildren. Although I have retired, I miss his friendly greetings and our small talks. He was a good person. I pray for his family's loss that they get comfort and peace. I pray Steve is no longer missing his son and is now sharing eternal life with him.
