“ *We want you to know that you (Ballarie) and your family are in our thoughts and prayers! So thankful you had a wonderful mother! Where would we have been without them in our lives?! I did not know your mother but I know she was a fine lady because she had a fine daughter like you! May God bless you all!*

“ *Ballarie, Bunnie and Kiva: Sending healing thoughts during this difficult time. Thinking about a fond memory of meeting Millie at Cracker Barrel a few years back. She was a very sweet lady and so easy to talk to. Felt like I had known her forever. While she will be dearly missed, your memories will be with you always in your hearts.*
