“ Our family has such warm memories of Nanny Pearl. She showed us so much love helping with our sweet baby girl. She would use her seamstress skills and make her so many beautiful outfits including a Little House look alike dress! She would also play with her outdoors and teach her about animals and nature. When we would say our baby girl was rotten she would say “And the core was rotten too!”

We love you Nanny Pearl and you will always be part of our family.
