“*“Uncle Norris” as my brother and I knew him was a larger than life guy! We grew up hearing very incredible stories about he and Aunt Rose. We felt very privileged that he spent time with us and taught us about his garden and Aunt Rose would always make sure that we checked his hat collection to see if there was anything new.*

“ Dear Steve, Jenny and Jimmy, I am sorry to hear of your loss of your wonderful father. I loved your parents so very much. I wish to share an interesting event: I live in Florida and was visiting family in Cincinnati this past week. On Friday night, Oct. 30, we were watching a DVD I had recently had old movies transferred to as a gift to my son. We saw your mother doing the hoola hoop and your father in his leather jacket running in the snow in our backyard the year we got the "big snow", and our families built the big snowman together. That night, I asked my mother if she knew anything about your Dad, but she said she'd last seen Jenny about 5 years ago, and that was the last she knew of your family.

In my long-winded way, I wish to share that we were thinking of all of you just a few days ago with very fond memories. I hope you'll get in touch with me, 239-910-1730.

*Love and best wishes to all,
Rosemary Pettigrew (Snooksie Farmer)*
