“ I met my dear friend Pat in 1957 when we started the eighth grade together. She was so much fun to be around, always smiling, always positive, and always willing to help anyone out no matter what their situation was. She kept those virtues plus many others throughout her life. I am honored to have known her. She was a role model for many and I will miss her. Pat, you have left this earth but not my heart. Love, Judy

“ Pat was a special women and my high school classmate. She was always seemed to be smiling. Our class was so proud of her for being selected Homecoming Queen by the boys at Uni High. It was so good to see her again in 2012 at our 50th Reunion. We had fun when we were young and fun when we are old! My thoughts and prayers are with her family. Rest in Peace dear classmate.

“ Just a note to pay my respects to a dear, sweet high school buddy. I wish all her children could have known her as we Rosaryites did. She ALWAYS had a smile and a kind word for you, she seemed to just know when to say the right thing at the right time. I for one am so glad I got a chance to re-connect at our 50 year reunion, crown and all. RIP to one special homecoming queen, you are now home. Best regards and continued prayers from Andrea (Cook) Ybarra, class of '62!

“ I met Patty a long time ago when she was married to my cousin, Richard Prokop, the father of Susie and David. I was very young and in the middle of a life crisis and Patty and Rick did everything they could to help me out. Patty even lent me her wedding dress and spent several evenings with me, including one riotous night at a movie drive in with her two very young children. Over the years, we would keep in touch occasionally whenever she was back in San Diego. We both had depression and were phoning each other to encourage both of us to move on with our lives. To me she always was a very caring, positive, and a fun person to be around and extremely loving with her children. I will miss our phone calls, but will pray for her everyday that she is indeed at rest now with God. My deepest condolences to all of her family and friends.
