Tribute Wall

DR

“ My condolences to the Phillip Snow family. While I am unknown to the family, I feel sure they are probably related to my family. My grandmother was Armada Snow Thurston and we lived on Otter Creek in Wayne County. I believe her father was Major Snow and she was closely related to John, Julian and Bob Snow.

“ It was an Honor and a Pleasure to help take care of Mr. Snow at the Hospice unit. Hospice is still with you if you need anything at all.

Phillip played basketball at RCHS and, of course, was a sports hero. In response to the comment above by Ms.Robinson: yes, all the Snows are somehow related. The patriarch, William Snow, settled in Clinton Co., KY, about 1800 and is documented in the History of Clinton Co. However, down to 7 generations later, we think Phillip and Janice are known mainly for their good looks and kindness to others! Tine Snow Reynolds
