“ *I just found out you died, I'm so broken. I have hundreds of memories of you. I remember when we would talk on the phone 5-6 hrs straight, day after day. When you would have me ride to Franklin with you every month. I remember the night at The Brown County Inn bar. Debbie got wasted and you had 1 or 2 too many and you let me drive your car. That car was your baby. You have always had a very special place in my heart and you always will have. Rest easy Rick, you were an amazing friend.*
