TA

“ *Prayers for the family...he was a great man that took on an almost impossible task and that was caring for my Mother (God bless her heart). He took the best care possible for her through many years...together. He worked hard to care for anyone who needed it, and loved his kids dearly and even a few more step-kids that he didn't have too. He was always carrying a load on his shoulders...I loved him because of this!*

*REST IN PEACE, ROG...AND IF YOU SEE MOM, KISS HER FOR ME!*
