“ *I love you and I miss you so much MOM! Yesterday was my first Thanksgiving without you it was so different to wake up and not see you in the kitchen helping out like you always did! Thanksgiving didn't feel the same without you, it was different for all of us. Christmas is going to be another rough day without you too Mom! Tomorrow is the Christmas parade and you always went with me and the kids to it now we have to go without you and I hate having to go places without you and go on with my life without you, it's so hard MOM! I miss you every single second of every day and night. I hope you know that you are loved beyond words, I love you with every beat of my broken heart Mama.*
