“ words cannot express my sorrow. I remember Rusty as a little kid that I thought was cuter than cute! And so funny! I hadn't seen him in many, many years but was friends on facebook with him and that was awesome. I keep this entire precious family in my thoughts and prayers, love and hugs to all of you.

“ *Russ was a great friend and neighbor to me (Rufus Warriner) and my wife (Casey). He will be greatly missed by us and all of our nephews and nieces, to which he was always kind to. We used to sit outside every evening talking. He would always tell us how much his son and family meant to him. Russ will be greatly missed in our neighborhood. May GOD bless his family and help them through this time of pain and sorrow.*
