“ I think I can sum up the goodness of Brett by saying "look at that smile" He loved big he appreciated all he had & all you had! Brett lives on in my heart and of course he gave me treasured memories that will never part and he always looked out for me! I am trying to picture his reunion with Jon & his mom....I will go to him one day....that's what King David said when he suffered the loss of a son! Fly high Brett...soar with greatness now that you are exactly where you belong! We got you covered down here! I love my precious family! Aunt Virginia
