“ Sending my condolences to all of Sandra's family in the US and Canada. Sandra is the sister of my brother-in-law Sandy Martin (my sister Debbie Martin). What I remember about Sandra most is her big heart. She cared fiercely for her family. I am so happy that over this past year she would Facetime with her family group here in Newfoundland and we had lots of laughs. I never thought she would be taken so soon. Special thanks to Sherry for making all the updates to Debbie and Sandy and being there for them. God bless you all.
