“ Do you, Barbara Dawn and Ted, remember your mom was at our apartment visiting my mom and i came out crying and yelling, "Hendrix (my rat) is dead" and Sherry looked at me and so seriously and said, "so is Elvis" I couldn't be sad after she said that, all i could do was laugh. Sherry was a second mom to me and will be dearly missed, but I just know that her and mom are up there raising the most hell that has ever been seen. That along with all the great memories will be what I hang on to. Sending my love to all of you
