“ *A blessing for a good trip to a beautiful person. I bring this also in behalf of the small Italian community witch some years back had the fortune and pleasure to know you.*

Ps. When you see Willis take him our regards

Un sincero augurio di buon viaggio ad una persona molto bella. Mi permetto di farlo anche da parte di quella piccola comunità Italiana che nel passato ha avuto il piacere e l'onore di conoscerti.

Ps. Quando vedi Willis, salutalo da parte nostra...

“ I am so honored to have known such great people like Willis and Stella all my life it makes you see who caring people really if you were feeling down and out just go to swan pond you would leave with a smile on your face Really going to miss those great big hugs and that great kindness she had for everyone

“ Stella was a great giving lady, defining the generosity we all should strive for. She considered everyone a friend whether they accepted her as one or not. There was a depth of character in Stella that gave Willis the depth of love for her that did not always have to be spoken. I will always remember the trays of food she sent over when I was commuting to Swan Pond Bottom. And the birthday cakes. And the peanut butter fudge. And the oatmeal cookies. But mostly I will remember the long "cathing up" talks that she always had time for. I will miss her greatly but I will never forget her.

“ I am a better person for have known Stella McClure as a friend and sister in Christ. Stella taught me that good things come in "small packages". Her small frame was deceiving, because she was truly a great and wonderful person. I was blessed when she shared with me photos that told of her deep and abiding love for Willis. Their love never grew old. Stella was a powerful example of Christian faithfulness. Even her drive from Swan Pond to Jamestown Christian Church each week was a blessing to her. I know that I will never taste of Peanut Butter Candy or Chocolate oatmeal candy without thinking of Stella. I will miss her greatly!. Yours in Christ,
Bro. Bill Welker
