“ Man, I went to elementary school with Stevie and I was just thinking about how funny he was and I googled him. So sorry to hear of his passing. RIP Stevie. You remember that time you brought a remote control to class and kept turning the tv on in the classroom? Lmao. Bro the teacher was so mad. We were only in like 3/4 grade. That was some elite level prank for our age. You was a goat. Hope you're resting easy.

“ Kevin(r.i.p.) and I thought a lot of stevie. It didn't matter where he saw us at, he would holler and ask how we were doing. He would borrow his neighbors moped and drive it to our trailer. This world is now missing a wonderful person, but heaven has now gained one. R.I.P. you will be missed!!!! Fly high my friend!
