“ *My Uncle Terry was a patient, caring and fun Uncle that I had great times with in Jamestown KY when I spent my summers between school with my grandparents. Whether it was playing catch or shooting guns or listening to him play guitar or going to help Gail finish up her work at the Dairy Dee we always had a great and fun time even after him working all day. He always made me feel special and loved. The memories of him and Gail among many others will always be in my heart and mind. Terry will be greatly missed. My sincere and deepest condolences go out to Gail and Cody and to the rest of the family. With love and sympathy, Bryan S. Wesley.*
